...and some other great stuff we may come up with together or we will welcome your own Entertainer.

The two-hour party runs as follows:

1. You should arrive about 20 minutes before your party's start time to set up and work some last-minute details and set-up with your hostess.
Please encourage guests to arrive on-time
2. We will greet your guests and talk to them about safety around/on the horses and ponies. Then the rides will start.
3. Food and drinks should be available about 45 minutes into the party.
4. Ponies and kids take a 15-minute pizza and hay break
5. Rides continue until ~20 minutes before the end of your party
6. Cake is served

Please keep in mind that our staff will be predominantly focused on the animals and safety of everyone in attendance. It is up to parents and guardians to serve pizza and cake during breaks.
